

Board Report April 2024

Event Committee and Volunteers Report

April 8th, 2024

In the 2023-2024 curling season, the Events Committee organized the Wes Jones Turkey Spiel, the BCC Doubles Spiel, the Pelee Island Wine Spiel, the Brooms and Beat Bonspiel, the Beef and Beer Bonspiel, the Family and Friends Spiel, 2 Name That Tune nights, and the Klasik Rock Tribute Night.

Our next event is our season-ending Pub Night, which has been spearheaded by Bruce Withrow. This is an opportunity for members and past members to chat, share fun memories, and look forward to next season. We hope that our members invite friends and former members from outside the club to participate in this event.

Since our last board meeting, we have hosted the Beef and Beer Bonspiel. The Beef and Beer was completely full, and many participants shared with members of the Events Committee that they had a great time. Many participants stated that they enjoyed the 2 8-end game format, which was a change from the previous schedule of 3 6-end games. Based on this feedback, we will continue to make the Beef and Beer a 2-game event. A huge thank you to Christine Pearson and Bev Thompson for spearheading this event. Their hard work and dedication made this spiel a great success!

The Events Committee also wants to acknowledge Christine's many years of service to the club through leading the Events Committee. She will be stepping back from this role now that she is Vice-President of the BCC, but she will still be very much involved in the planning of future events. We will continue to call on her for her expertise as we head into a new curling season.

Respectfully submitted,

David Bolsby
