

Annual General Meeting Report 2023-24

## Report from Kitchen, Bar and Lottery Licence

This year has been a very good year for the Curling club as a whole. There have been no major issues with the bar, kitchen and Lottery Licences.

The kitchen required a new dishwasher which we were able to provide for TCB in the early spring. Jess and Luke appreciate the efficiency of this new dishwasher.

The lottery license had a net profit of \$10,000 from two 50-50 draws. This money will go to support our junior Curling program at the club.

The bar continues to run profitably with the management of Dave.
