

## **CurlION Rep's Report**

We saw an increase in the amount of teams representing the BCC in CurlION events that lead to either a provincial or national championship. With entries in several youth and seniors events as well as teams participating in various men's, women's and mixed events.

I would like to recognize the following BCC teams on qualifying for a Provincial Championship in the past 12 months: Team Balchen (Women's Club Championship), Team Campbell (Men's Grandmaster's Championship), Team Johnston (U21 Women's Championship), and Team Jones/Laing (Mixed Doubles World Championship). Along with these teams, we had several other members play at the provincial level with teams from neighboring clubs.

With the new CurlION registration system online, we do not get notification that a team from our club has entered an event. If your team registers, please let our club rep know so that we can share your successes with the membership and we can continue to cheer you on during your journey. I am sorry if we missed any teams in this report. Please contact our rep if you wish to be recognized. We love hearing about and sharing your experiences!

Respectfully Submitted,

Dave Hardwick
