Always wanted to try curling? Our **Learn to Curl (LTC) Program** is designed especially for you! These programs will teach you the basics in a relaxed, welcoming environment—no experience or equipment required. Participants will wear curling shoes or similar soft-soled, flexible indoor shoes (helmets are also strongly recommended). Join as an individual or with your friends to sign up too. At the end of the program, you will have the knowledge and experience needed to move on to the Development League (next step after Learn to Curl) or any of our recreational leagues.
